Hints 

Description

Sometimes you need to handle process data outside of a file. Can you find a way to keep the output from this program and search for the flag? Connect to jupiter.challenges.picoctf.org 4427.

Submit Flag

Plumbing challenge

In this challenge, we can dump the output of the netcat to a file and just search for the flag.

```
~/Downloads/dump.txt - Mousepad
File Edit Search View Document Help
1913 Not a flag either
1914 This is definitely not a flag
1915 I don't think this is a flag either
1916 Again, I really don't think this is a flag
1917 I don't think this is a flag either
1918 Not a flag either
1919 Not a flag either
1920 This is definitely not a flag
1921 I don't think this is a flag either
1922 I don't think this is a flag either
1923 Not a flag either
1924 Not a flag either
1925 Not a flag either
1926 Not a flag either
1927 Again, I really don't think this is a flag
1928 picoCTF{digital_plumb3r_5ea1fbd7}
1929 Not a flag either
1930 Not a flag either
1931 I don't think this is a flag either
1932 I don't think this is a flag either
