2Warm challenge

Another simple conversion just change it from 42 decimal to binary

 <https://www.rapidtables.com/convert/number/decimal-to-binary.html?x=42>

RapidTables

Home > Conversion > Number conversion > Decimal to binary

Decimal to Binary converter

From	To
Decimal	Binary

Enter decimal number

42 10

= Convert × Reset ↕ Swap

Binary number (6 digits)

101010 2

101010 should be the flag
